Buyer Demographics

The following list outlines recent buyer groups in the Vancouver Eastside new home marketplace. These groups have been identified by Altus at presentation centers, project launches, events and through interviews with sales staff and developers active in the target area:

- Downsizing and first time end users - Price oriented concrete and woodframe product located in less central locations (Hastings Street, Kingsway and Fraser Street)
- Professional, young (25 to 35) local couples and singles (all ethnicities) - Branded woodframe (especially when located close to Main Street) and Mount Pleasant concrete condominium product
- Local, Westside or Downtown move up buyers (often with a young child) - Townhome product close to Main Street or Commercial Drive larger concrete condominium product in Mount Pleasant
- Local investors - Purchasing smaller, price point oriented condominium product closer to Main Street
