Buyer Demographics

The following list outlines recent buyer groups in the Vancouver Downtown new home marketplace. These groups have been identified by Altus at presentation centers, project launches, events and through interviews with sales staff and developers active in the target area:

- Offshore investors - A mix of ethnicities but a high percentage are of Chinese origin. These buyers are consuming completed, premier product types, typically at discounted values, as well as price point units in more standard buildings.
- Local investors of mixed ethnicities - This group is purchasing for rental income and capital appreciation. They are looking for smaller sized condominium product (often attracted to the least expensive unit types) in well located buildings with minimal maintenance fees.
- Local downsizing end users - larger single level condominium product with larger balconies, views in walkable neighborhoods.
- Move up buyer groups - These buyers come from within Vancouver looking for more square footage. These buyers already own Downtown and are looking to increase the size of their unit. They look for high-rise product typically smaller two bedrooms and larger one bedroom and den unit types, as well as cityhome product. They predominantly work in the Downtown core.
- Heavily supported first time buyers, looking to enter the marketplace - Demand from these buyers is typically focused on small condominium product (least expensive studio and junior one bedroom unit types).
