Buyer Demographics

The following list outlines recent buyer groups in the Abbotsford/Aldergrove new home marketplace. These groups have been identified by Altus at presentation centers, project launches, events and through interviews with sales staff and developers active in the target area:

- Local downsizing end user couples and singles in their 50s and 60s - looking for larger single level woodframe condominium product with larger balconies, mountain or valley views and located in more desirable areas of the submarket
- Downsizing seniors - couples and singles in their 70s and early 80s looking for smaller, price point oriented units
- Move up buyer groups - young families or couples from the area or from other parts of the Fraser Valley, looking to upsize into townhome or smaller single family product
- Supported first time buyers from Abbotsford - looking for woodframe condominium product or small townhome product, in particular the least expensive unit types
- A small number of investor buyer segments (ethnically mixed) - Small, woodframe condominium product, least expensive unit types. Attracted to steeply discounted and incentivized product offerings with easy access to the highway or proximity to a major local employment center
